## The Shire Hall Stewards

The Shire Hall Stewards are a group who are actively involved with the restoration and future of the Shire Hall in Monmouth.

### Would you like to join us?

Any individual who is interested in the development and future of the Shire Hall would be very welcome. We are also encouraging all local organisations to send representatives to become part of the group.

### Our aims are:-

- To work with others to protect and improve the Shire Hall, acknowledging its importance to the town and to the County.
- To provide an arena for all interested parties where they can discuss and influence the future use and development of the Shire Hall.
- To help raise funds towards the restoration of the building.
- To help develop marketing and business strategies that will ensure the sustainability of the building.

### Our objectives include:-

- Supporting the restoration of the building to reflect its history and importance to the town.
- Encouraging and maintaining the building as a vibrant hub of the community identifying opportunities to make the building self financing.
- Supporting the promotion of the Shire Hall as the central focus of the town putting the Shire Hall at the centre of a heritage strategy for Monmouth.
