A Message from the Chairman of Off Centre Theatre

Thank you for supporting our touring Summer Show-Time Special.

This programme as well as the cost of staging the show is funded entirely by the advertisers. This has enabled all ticket receipts to be kept for local funds.

O.C.T. is now in its' 8th year and during that time has offered a variety of plays, pantomimes and entertainments. If you would like to be involved in any aspect of production or performance, please contact our secretary, the Rev. Brian Phillips on Monmouth 712565; or contact one of the players after the show.

O.C.T. would like to thank the local Committees and Organizers without whose active co-operation and participation this performance would not have been possible.

Enjoy the show!

Stuart MacFarlane
Chairman. Off Centre Theatre.
