Message from the Producer

It gives me great pleasure to welcome everyone to our Springtime Spectacular. Springtime, a time of new life and new hope, and that is what we are working towards for Alan Dawes.

We thank you for supporting our entertainment this evening and for helping to raise money to send Alan to Houston, Texas for the course of specialist treatment to rid him of his brain tumour.

Our goal is to raise £30,000 for the treatment both in Houston and for the continuing treatment at home. I am certain that we have made a worthwhile contribution to this fund tonight but if you, the people of Monmouth area feel that you could do something, anything to help our cause further, we, and most importantly Alan, would be most grateful.

I am pleased to have this opportunity to thank all of the Societies, groups and individuals who have given their time and expertise to make tonight's show possible. It generates a good feeling to be able to bring together the combined talents of the Monmouth people on such an occasion and to show Alan that we care.

Special thanks go to all those who have supported us by helping with selling tickets, advertising or donating prizes. We are also most grateful to the Haberdashers' Monmouth School for Girls who are allowing us to use their hall free of charge.

Now all we ask is that you sit back and let yourself be entertained in style. We trust you will enjoy the show.

Thank you again for your support

Anne E. Thomas
