A Message from the Chairman of Off Centre Theatre

Welcome to our touring Summer Show, a Variety show which lets you have some fun while raising funds for the local community. This year's show follows the same pattern as last year, music, dance, songs and sketches; we think we have some different jokes as well.

We are indebted to the local traders who have advertised in this programme; their contribution has funded the costs of the tour and provided us with a fine free programme as well. Once again it has not been possible to cater for all the advertisements that were offered.

Of course OCT has had a lot of fun putting the show together. The real work, however, has been done locally by the Committees and Organizers who have given their free time to sell tickets, prepare the Hall, raise a raffle, sell drinks and organize the front of house. Without their willing co-operation this show would not be possible.

If you would like to talk to someone about joining OCT, please see us after the show, or ring our Secretary, the Rev. Brian Phillips on Monmouth 712565.

Now relax and enjoy the show!

Stuart MacFarlane
