PROGRAMME

 *A Welcome from the Chairman*

Last year's pantomime, Cinderella, proved to be the most successful in Off Centre's history - playing to "sell out" audiences at all performances. Unfortunately, some of the children were disappointed because all the matinee performances were sold out very quickly. So, in an effort to avoid this situation occurring again, we have added an extra "twilight" performance on Sunday evening.

Snow White is truly a "Town" effort, incorporating 78 children and adults actually appearing on stage and ably assisted by the town band, Barber Shop Singers, Members of Monmouth Operatic Society and local musicians who are all backed up by an army of behind the scenes personnel.

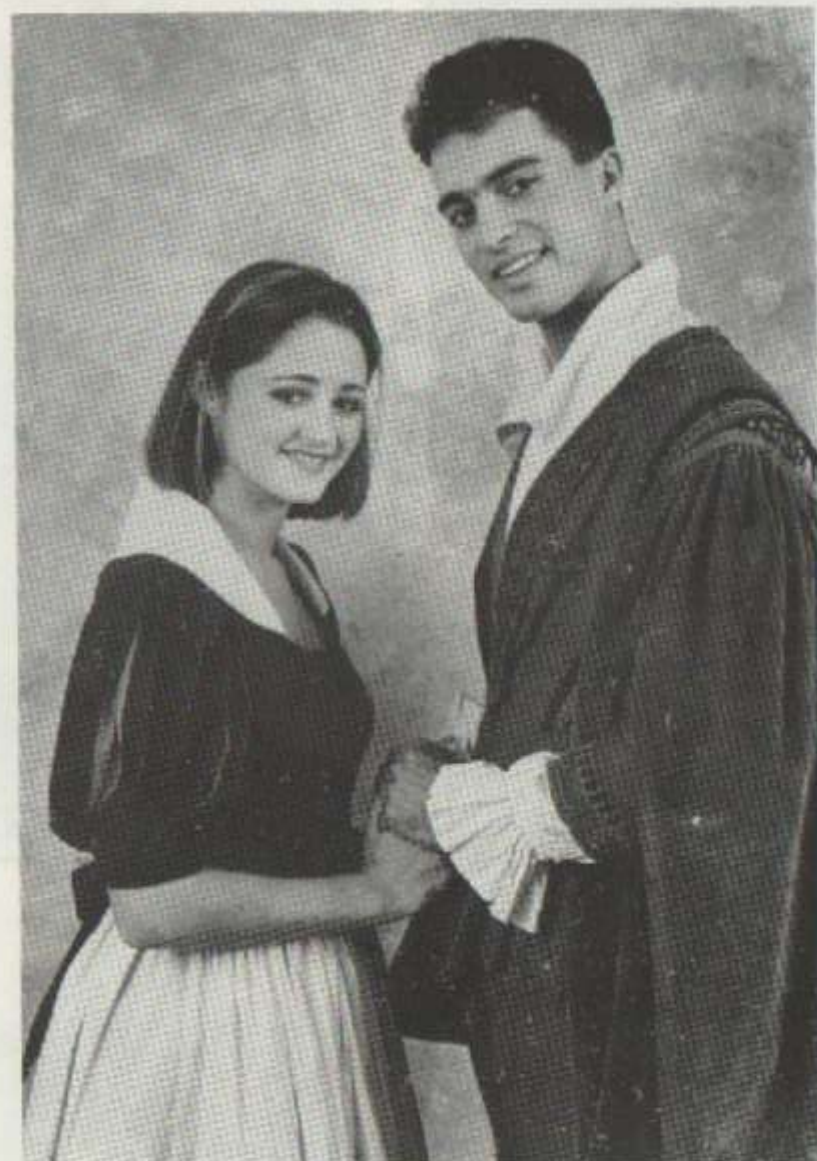

I think it is worth stating that everyone involved offers their time completely free of charge and no-one in this large group is paid for their contribution. This commitment by everyone concerned makes the production a truly commendable community project and enables us to keep tickets at affordable prices.

I sincerely hope you enjoy 'Snow White and the Seven Dwarfs' and thank you for your continued support.

May I take this opportunity of wishing you, your family and friends a Happy and Prosperous New year.

*Stuart MacFarlane
Off Centre Chairman.*
