Monmouth - Waldbronn Twinning Association

A Message from the Twinning Association

Welcome to this Autumn Spectacular, we are sure you will have an enjoyable evening.

Monmouth has been twinned with Waldbronn for the past eleven years and, because of the work of its members, has maintained the strong links forged in 1986.

Waldbronn is situated in a beautiful part of South West Germany close to the Black Forest. In 'Even' years we make an official trip to Waldbronn and likewise in 'Odd' years they visit Monmouth. Many are still talking about their happy visit here in April. Private visits by individuals and groups also take place from time to time.

The Association is funded from the members pockets and hitherto by grants from the Town and County Councils. But with Local Authority Reorganisation funds from the County have now dried up, hence the need for this Concert.

Our thanks go to all of those taking part tonight, who are giving their time and skills freely. So sit back and enjoy the evening knowing that you are also helping the Monmouth - Waldbronn Twinning Association to go from strength to strength.

Viel Spass!

Ron Gladwin - Chairman.
