## Message from the Monmouth Carbonne Twinning Committee

The Monmouth Carbonne Twinning Committee would like to take this opportunity to express their most grateful thanks to the team of people who have produced this evening's entertainment which has been specially designed to mark the visit of our French friends from Monmouth's twin town, Carbonne.

Our thanks also to members of Off Centre Theatre and Monmouth Operatic Society, The Townrow Tappers, and lastly to The Wye Valley Singers and Monmouth Band, many of whom are well known by the Carbonnais after three visits there.

To the Carbonnais we say: *'Bienvenus, nous sommes toujours très contents de vous recevoir chez nous ici à Monmouth.'*

To all the audience we say: *'Thank you for supporting us on this occasion, for welcoming our French friends, and for helping also to support that most worthwhile cause, the British Heart Foundation.'*

Roger Smith,  
Twinning President.

FESTIVAL 99

The first Monmouth Festival was held in 1983, as part of a Welsh Tourist Board initiative. The network of social, business and artistic organisations that contributed proved so successful that the town community has now enjoyed a Festival as an annual event for 14 years.

During the last 15 years, the Festival has become a major leisure and tourist event in Monmouth, attracting many visitors and providing a show case for local entertainers.

The Festival is supported and financed by voluntary donations and sponsorship, and is organised by a committee of volunteers.

Thank you for your support
