

Variety—Variety—Variety

Off Centre Theatre's Summer Tour is an opportunity for Village Halls and other groups to have fun and, at the same time, raise cash for local good causes.

OCT promise an 'End of the pier' Variety show which will keep audiences smiling and laughing all evening. The entertainment is a mixed bag, from rousing set piece production numbers and haunting melodies from the solo voice to some of the funniest sketches seen this side of the professional theatre - the pantomime slapstick of the *Schoolroom Sketch*; the Burlesque farce of *Cleopatroast's Lost Asp*; the unique versions of *Blind Date* and *Mastermind*; the famous *Pheasant Pluckers*, a Camel and much, much more. It is a fitting entertainment to welcome the first summer of the new Millennium with the knowledge that the cost of the ticket goes directly to helping the local community.
