A Message from The Mayor

It is with great pleasure that I welcome you all to this **"Showcase Spectacular"** for the Mayor's Charities.

I am deeply indebted, in the first instance, to Cedric Gibbons for his hard work and dedication in organising these performances. The enthusiasm and support of all the Schools, Societies and individuals involved onstage and backstage is amazing! My thanks go to them and to Jim Newcomb who has taken on the role of Master of Ceremonies.

All the charities involved have also contributed to what I know will be a most successful and enjoyable evening. I know you will love the Show, which has been made possible by so much selfless hard work.

I must also record my appreciation for all the gifts and donations for the nightly draw, which have been generously given privately and by many local businesses. My thanks to you for being here and again to everyone who has made this evening possible.

With best wishes, Richard Bond
