## EURO TOUR 2002

WILLKOMMEN, BIENVENUE, GROESO & WELCOME to tonight's Euro Tour.

This is OCT's 5th fundraising Summer Tour since 1998. Over the years the tours have raised funds for many good causes including village schools and halls, the British Heart Foundation, Bridges Centre and this year, St Bravelis centre for child development.

The last tour in Summer 2000 raised over £2200 we hope to exceed that this year.

As this years show has a European theme - it is a chance for you to travel round Europe without leaving your comfortable seat in tonight's auditorium.

### COMPÈRE

We are honoured to have a very distinguished person presenting tonight's show. Usually in the public eye, she has preferred to keep a low profile during this year's Jubilee celebrations. She is giving her service free of charge to support tonight's good cause. It will not be necessary to bow and scrape to her, just clap your hands the same as you do for the other performers.
