SPORTING SHOWCASE 2003

This is OCT's 6th fundraising Summer Tour since 1993. Over the years the tours have raised funds for many good causes including village schools and halls, the British Heart Foundation, Bridges Centre and St Briavels Centre for Child Development. This year the first 7 shows will be raising funds for village halls. The proceeds from the final show at the Savoy are for Monmouth Lads.

The last years tour raised over £1600 we hope to exceed that this year.

This year's show has a sporting theme. It is a chance for you to enjoy many aspects of your favourite sports - some of which you may have never even considered.

The highly trained and toned cast are delighted to present for you
"A Load of Old Balls"
