

*Good Evening Everyone,*

**monmouth**  
festival 2004

I was absolutely delighted when OCT offered their expertise to stage this show in support of the Festival. We are continually looking for alternative sources of funding - and this has got to be the best and certainly the most fun initiative of all!

Enormous thanks from us all to Stephanie, Barbara, Anne and the entire cast for their sheer hard work, commitment and talents. Finally, thank you to all of you for supporting OCT and the Festival - enjoy your evening and we look forward to seeing you during Festival week.

*Iain McIntyre, Chairman Monmouth Festival Committee.*

In the summer, since the early 90s, Off Centre Theatre has staged variety shows to support charities and local causes. Over the years thousands of pounds have been raised for The British Heart Foundation, Monmouth Lads and Village Halls to name but a few. This year OCT decided to focus its summer effort to raise money for the annual Monmouth Festival.

This year's show has the largest cast so far for such a production featuring members of all ages. Many of those you see on stage have performed in fundraising shows in locations as varied as The Savoy Theatre and Dingestow Village Hall. The cast has been rehearsing for this show since early May and what you see is the result of hours of effort.

Off Centre Theatre always welcomes new members. If you are interested in any aspect of amateur theatre such as designing scenery, appearing on stage or coming to shows please contact our membership secretary Cedric Gibbons Tel: 01600 716162.

So sit back and enjoy "It's Entertainment"!

*Barbara Spence, Chairman OCT*
