A message from Ellie's Mum and Dad;

We would just like to say a big thank you to everyone for taking the time to be here and supporting the Children's Liver Disease Foundation.

Over the last three years CLDF has given unwavering support to us and countless other families who have gone through similar traumatic experiences. With their caring and knowledgeable approach it has helped us as a family to much better deal with this life changing illness.

By simply buying a ticket for tonight's performance you are helping raise awareness of Children Liver Disease and joining us to say Thank You - We couldn't have done any of this without your support.

Geoff and Sue would like to thank all those who have supported this show with raffle prize donations, poster space, box office, programme advertising and in any other way. In particular thanks are due to:

AL Stokes the Chemist. Sue and Terry of the Robin Hood
Tom of Irma Fingal -Rock, The Music Shop
Alun and Richard of Rade UK Ltd Creative Cakes of Bath
Jeff Mitchell, Brian Williams, The Nelson Museum
The Reverend Canon Richard Pain of St Mary's Church
